Dear Mr. Kranich:

On November 21, 2022, the Regulatory Commission of Alaska (Commission) rejected TA14-730,¹ and gave Unified Alaskan Utilities (UAU) until November 29, 2022, to correct deficiencies with the filing. The Commission also notified UAU that failure to file by the deadline would result in the tariff advice filing being closed and returned to the utility. UAU did not supplement the filing to correct deficiencies by November 30, 2022. This letter is to return your tariff filing and confirm that we have closed TA14-730.

Sincerely,

REGULATORY COMMISSION OF ALASKA
